Nothing, Empty, Vacant Stare  
Out of Life, Blood Soaked Hair  
Cooling Flesh, Color Drains  
Mind Expired, Splattered Brain  
Zombie Horde Tears Your Flesh  
All Thats Warm Torn to Shreds  
No Escape, No Way Out  
Shotgun Stuck into Your Mouth  
Splattered Wall, Vibrant Spray  
Mind on Fire, Blown Away  
Chunks of Head, Feed to Dead  
On Mangled Guts the Zombies Fed

Must Respect the Dead  
When the Dead Are Living

Dead Must Die Again

Empty, Rotting, Dead yet Conscious  
In the Basement they have Locked Us  
Barred Windows, Locked Doors  
Rotting Bodies on the Floor  
Steaming Flesh, Stench of Death  
Bloodless Rotlung, Maggot Breath  
Touch Cold, Skin Crawls  
Dead Flesh lives Again  
I am Dead, I am Alive  
I am Moving, Rotting Inside  
Take My Head off, Execute Me  
Blow My Head off, Show Mercy
