Be, Be the charming type,
Take off your gloves and show what they hide,
Please, please my naked wrists,
With your hands and fingertips
And please, baby get on your knees,
Don't bare bare bare your teeth,
I'll let you try,
If you close your eyes,
I'll have an answer for your ass!

Chorus:

There goes my love,
There goes my love,
There goes my love love love love love,
There goes my love,
There goes my love,
There goes my love love love love love!

Why, be charming kind,
Oh you'll get yours,
When I get mine,
Oh no, it's not for me,
If you're too good,
You won't be free,
And please, please I'm on my knees,
I wanna feel feel feel your teeth,
Get on your knees,
Baby get on your knees,
I wanna feel feel feel your teeth!

Chorus:

There goes my love,
There goes my love,
There goes my love love love love love,
There goes my love,
There goes my love,
There goes my love love love love love!

(Oh no, just just, wait, no, you gotta wait, oh no, oh no please!)

Chous: (x2)

There goes my love,
There goes my love,
There goes my love love love love love,
There goes my love,
There goes my love,
There goes my love love love love love!
