[Chorus]

Cheap thrills, you'll get from me
There ain't no nothin' about me that, it ain't no maybe
You're lookin' kinda sweet still, to me, baby
You're gunna get your cheap thrill shortly, baby, so
shortly, baby, so shortly, baby, so shortly, baby

Yes yes, Kitty Kat? Yeah you, I said Kitty Kat
I ain't coming with the silly chat
What you got? Hm, you wanna gimme that?
Tell me that you're really that kinda girl
Kinda girl? Kinda girl.
I came to play hard and find a girl

You wanna feel loved like all my peoples?
Try one of these they're cheap thrills
Cheap thrills
They be nice, you get thrills but don't pay the price
And maybe if the lady-like, things get bigger like Katie
Price

[Chorus]

You're gunna get your cheap thrill shortly

I saw Miss World on the dance floor
Wigglin' her arse for a second
What better could you ask for?
Then I passed her
And this is what I asked her...
"What you want sweet-pea? Come and see me for
cheap thrills, deep skills
Me? I like to meet girls, you're lookin' kinda sweet still
We will, speak 'til, we'll peak and then we'll seek thrills,
Play hard then we chill, and I'll pick up the hotel suite
bill."

Cheap thrills, they be nice
You get thrills but don't pay the price
And maybe if the lady like
You'll get double 6 when you roll the dice

[Chorus]

Cheap thrills
