He's just so kiss-a-licious
And now my every wish is (oohh)
To kiss him up from head to toe now
Wrap him up to go now
Kiss-a-licious brown-eyed boy
Did you check that guy
Walking down our street
I saw you tried to catch his eye
But I wouldn't mind
But you're too late girl
'Cause he's already taken mine (he's all mine)
And you're kinda small
No I think he's tall
But you can see he's really fine (really fine)
Hey fly guy
Don't you walk on by
Just step to me and spend some time
Girl meets boy meets girl
Love turns on the world
He's just so kiss-a-licious
And now my every wish is (oohh)
To kiss him up from head to toe now
Wrap him up to go now
Kiss-a-licious brown-eyed boy
On every street
In every town
Coming at you out of the blue (out of the blue)
And the heart beats fast
And the heart beats true
You know when it's beating for you (check it out)
Girl meets boy meets girl
Love turns on the world
He's just so kiss-a-licious
And now my every wish is (oohh)
To kiss him up from head to toe now
Wrap him up to go now
Kiss-a-licious brown-eyed boy
Oohh oohh ooh yeaeah
Kiss-a-licious brown-eyed boy (my boy my boy)
Oohh oohh oohh (alright)
Kiss-a-licious brown-eyed boy (my boy my boy)

(ooh)
Girl meets boy meets girl
Love turns on the world
He's just so kiss-a-licious
You know my favourite wishes
Twice as nice as sugar honey
Before you're out of money
Kiss-a-licious brown-eyed boy
He's just so kiss-a-licious
And now my every wish is (oohh)
To kiss him up from head to toe
Wrap him up to go
Kiss-a-licious brown-eyed boy
He's just so kiss-a-licious (kiss-a-licious)
Kiss-a-licious brown-eyed boy (my boy my boy)
Kiss-a-licious (kiss-a-licious)
Kiss-a-licious brown-eyed boy (my boy my boy)
Kiss-a-licious (kiss-a-licious)
Kiss-a-licious brown-eyed boy (my boy my boy)
