

## Example "Perfect Replacement"

Visit "[Perfect Replacement](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Iv told too many girls that i love em  
Iv told too many girls their the one  
So why am i sitting here all alone  
How do you measure fun?

Iv called lost property  
Too many times  
And i cant live properly  
A piece of me died  
I wasn't aware the Mona Lisa cried

Maybe i remember my decent side  
Wash the kisses off my neck  
And lock my decent side in the basement  
I need to find your perfect replacement

Lets start, you torn him apart  
He had alot of heart for a heartless bastard  
So sad, sad it aint lasted  
Scream like you mean if you wana go faster  
But he'll never slow down  
Tears of a clown like bits of motown  
Found what he needs and his heart still bleeds  
But you'll never take a ride on his merry-go-round

We'll never what we may find  
Find on the other side  
We'll never know what we may find

Iv called lost property  
Too many times  
And i cant live properly  
A piece of me died  
I wasn't aware the Mona Lisa cried

Maybe i remember my decent side  
Wash the kisses off my neck  
And lock my decent side in the basement  
Iv found your perfect replacement

Hope you remember my love  
Remember my name

Post a message in the post  
Hope you get it by May

Lock my past in the basement  
Iv found your perfect replacement

Iv found something  
Never need your nothing again x6

Who's laughin now?  
Iv found your perfect replacement

Lock my past in the basement  
Iv found your prefect replacement
