seriously bruv let's think about it  
do you want some little rough ting coming up to you  
going  
"i really really wanna suck ya dick, yeh yeh"  
Or do you want like some proper posh nice coming up  
to you going, "I really want to suck your cock?"

(tell me what you want me to do, you just tell me what  
you want  
and i'll do it) x2

Now tell me why do they like geezers?  
And why should they please us?  
Cos surely, if they're posh and rich they're picky like  
tweezers?  
But still, they try and seize us  
I pop 'em with ease  
Maybe they're dropping to their knees because i'm  
dropping my "Ts"  
She had me when she said "Ell,  
you know my legs spread well,  
at school i weren't a prefect but they called me the  
head girl."  
pronunciation, monier than honey i think it's kinda  
funny,  
cos though she wants my cock I want her daddy's  
money,  
Into the toilets skip the foreplay grip the doorway like  
BK  
You can have it your way, shes so polite  
She'll always say, "was that ok?"  
She always pays for the taxi home, she's clearly a giver  
But unlike all the cabbies she goes south of the river.

You can say what you like about posh birds,  
you can do what you want about rich girls.  
But they hear my geezer voice in the club,  
and we always ending up in the bedroom.

(tell me what you want me to do, you just tell me what  
you want

and i'll do it) x2

Another weekend, to overspend,  
Chat a bird up just to bury my ends,  
Plunder their underwear,  
trust me bruv you best beware.  
You want the front cover of vanity fair?  
You ain't gonna find it in Leicester Square  
Where sluts get pissed beyond compare  
End up looking the worst for wear  
You ain't gotta act like a millionaire  
If you wanna get your hands on their silverware  
What do i mean? I hear you ask  
A piece of arse with a piece of glass  
Posh little rich girl, wants to be an "it" girl,  
Prim and proper voice, but you know she sucks dick  
well  
Head off to chelsea, the pussy there is wealthy  
appetites for geezers they're very very healthy.  
Saw a little blond ting strutting her stuff  
i could tell she was dirt from the way she puffed  
"Oi love, you wanna bit of rough?"  
Two hours pass i'm inside her muff.

You can say what you like about posh birds,  
you can do what you want about rich girls.  
But they hear my geezer voice in the club,  
and we always ending up in the bedroom.

Now i know youre probably thinking "example he's a  
snob."  
Because he's only letting honeys that are posh touch  
his knob.  
See there's a very good reason these young girls are  
good with their gobs,  
You see a school that is boarding is very rewarding.  
Boredom, disorder they're midnight marauding,  
then escape from their boredom to broaden horizons,  
they had their little eyes on a couple of guys  
and before they even knew it they were unzipping flys.  
See if you take away a childhood then the child could  
strictly grow  
up far too quickly like a youth in the wildhood  
Look at her she's sweet sixteen in a mink coat,  
little would you know that she's proficient at deep  
throat

You can say what you like about posh birds,  
you can do what you want about rich girls.  
But they hear my geezer voice in the club,  
and we always ending up in the bedroom. x2
