look please girls just listen too me
please dont stare and look right through me
dont act like you never knew me,
i need to apologise
(repeat X4)
i'm really sorry
to all the girls i treated badly
dessa plus alisha, hadleigh
i'm really really sorry
i reall tried to be discreet
cos really i'm not one to cheat
not sorry i did it at all,
no not at all, i was a fool
if you put me in the same situation
still would of had the inclination.
Just sorry that they caught me

look, i'm sorry for the things that i said
sorry that i didnt make the bed,
sorry that i ate all the bread,
and i'm sorry that i gave her head.
Sorry that when you came through the door
I lacked awareness, You were there miss,
But in fairness; My head was between her legs.
I know thats a poor excuse,
But babe can we call it a truce,
i must have been seduced
cos compared to you she's a moose
i never meant for you to find out,
thought that i had it all thought out
but you came home early and didnt text
if you hadnt of done that we'd be having sex.

i'm really sorry
to all the girls i treated badly
dessa plus alisha, hadleigh
i'm really really sorry
i reall tried to be discreet
cos really i'm not one to cheat
not sorry i did it at all,
no not at all, i was a fool

if you put me in the same situation
still would of had the inclination.
Just sorry that they caught me

look i feel like i'm always apologising
which i'm finding quite surprising
with other young birds i never argued,
wel maybe we did, over food.
never like we do, over crap like
when i'm with your friends
what i chat like, staying out late
and paying cabs, side of the bed
and your stomach flab, the state of your abs.
Okay thats kind of malicious, but i'm ambitious,
for me, for you, for both of us.
and thats why i feel we must discuss
why i'm glad you caught me red handed
lickin' her snatch, if i'm candid
don't wanna be branded a shoveonist
i've said my peice, lets get over this

look please girls just listen too me
please dont stare and look right through me
dont act like you never knew me,
i need to apologise
i'm really sorry
(repeat X2)

i'm not sure how much you know about this,
but theres two main ways we can go about this
i admit stuff, and you forgive and forget.
theres no regrets and you dont shout like you got
tourettes,
plus the cigarettes they have to go,
and i'll stop making stupig threats,
ignore my mates there placing bets.
if you choose on the other hand
to not forgive, where i stand
is that i tell you harshly

to give me back my car keys
i'll take back the pretty necklace
if you choose to go and wreck this
see i might be the one who's analysing
but you'll be the one who's apologising.

i'm really sorry
to all the girls i treated badly
dessa plus alisha, hadleigh
i'm really really sorry
i reall tried to be discreet
cos really i'm not one to cheat
not sorry i did it at all,

Just sorry that they caught me
(fades out)
