Step back a minute, ain't payin no parkin ticket
You won't like me when I'm angry now I'm close to livid
I found it by myself so I don't need no back seat drivers
Taxi driver get out of my face or feel the spat saliva

They had me trapped like a rabbit in the headlights
Good to know you, it's over
I think their mad cause they were never put to bed right
No attention from their mothers at all
And they never ever felt so small
And now I need to feel so tall
Take me to the edge of the world

Freedom fighters, new horizons
Freedom fighters, new horizons
Freedom fighters, new horizons
Free, now I can see the sea

Freedom fighters, new horizons
Freedom fighters, new horizons
Freedom fighters, new horizons
Free, now I can see the sea

No I don't want to leave
Now I can see the sea
No I don't want to leave
Now I can see the sea
This is the best place right now,
No I don't want to leave
No need to fight now
Now I can see the sea

This is the best place right now,
No I don't want to leave
No need to fight now
Now I can see the sea

They had me trapped like a rabbit in the headlights
Good to know you, it's over
I think their mad cause they were never put to bed right
No attention from their mothers at all
And they never ever felt so small

And now I need to feel so tall
Take me to the edge of the world

Freedom fighters, new horizons
Freedom fighters, new horizons
Freedom fighters, new horizons
Free, now I can see the sea

Freedom fighters, new horizons
Freedom fighters, new horizons
Freedom fighters, new horizons
Free, now I can see the sea
No I don't want to leave
Now I can see the sea
No I don't want to leave
Now I can see the sea
This is the best place right now,
No I don't want to leave
No need to fight now
Now I can see the sea

This is the best place right now,
No I don't want to leave
No need to fight now
Now I can see the sea

Freedom fighters, new horizons
Freedom fighters, new horizons
Freedom fighters, new horizons
Free, now I can see the sea

Freedom fighters, new horizons
Freedom fighters, new horizons
Freedom fighters, new horizons
Free, now I can see the sea
