I never felt comfortable in my skin  
I never wrote down my next of kin  
Kept all my troubles locked up inside me  
And threw away the key

I've been to the locksmith to find my soul  
I'm hoping it finds me before I'm old  
I'll shake off my troubles and change my clothes  
The new face for me

Gave it away got lost one morning  
Today is the day just watch me born again

Lately, I'm shedding my  
Snakeskin  
You know I've been  
Changing  
For you lately  
It's time to make a fresh start  
It's time to make a fresh start  
It's time to make a

Living in a box so in the red light  
Sickening to watch if only if the best time  
Beated with a staff now it's been a dress line  
Snakeskin

And I hate him  
And I hate him

I know that I'm twice the man I was  
But half of exciting now I'm not lost  
I wanted to fly all around the world  
There was only space for me

I'm locking this out for I'm focused now  
I'm under the side girl I won't look down  
I'm under the bubble and I change my clothes  
A new place for me

Gave it away got lost one morning

Today is the day just watch me born again

Lately, I'm shedding my  
Snakeskin  
You know I've been  
Changing  
For you lately  
It's time to make a fresh start  
It's time to make a fresh start  
It's time to make a

Lately, I'm shedding my  
Snakeskin  
You know I've been  
Changing  
For you baby  
It's time to make a fresh start  
It's time to make a fresh start  
It's time to make a

Living in a box so in the red light  
Sickening to watch if only if the best time  
Beaten with a staff now it's been a dress line  
Snakeskin

And I hate him  
And I hate him  
And I hate him
