We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd

I don't kno if you understood
When it rains down, then drop the hoods
End of the nightly, it's quite likely
Brand new Nikes fucked for good
Lose your Rolex, rip your tshirt,
Bounce up til both ur knees hurt
Jump up with your hands apart
You're all goin home in an ambulance

Where's all the Hooligans?
The nasty music fans
Lets see ya break some bits and
Make this pit a Zoo again
Where's all the Hooligans?
The nasty music fans
Lets see ya break some bits and
Make this pit a Zoo again

We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd

A Field full of ravers with their ribs broken
Bounce up til their shins open
Bones poking through,
All beat up but a token few
Was hoping you would come to riot
Bring storms for you to ride it
If you aint hurt and covered in dirt
You didn't turn up, shudda gone to work

Where's all the Hooligans?
The nasty music fans
Lets see ya break some bits and
Make this pit a Zoo again
Where's all the Hooligans?

The nasty music fans
Lets see ya break some bits and
Make this pit a Zoo again

We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
