We took it all apart  
But I'm wishing I'd stayed  
In the back room something I heard you say  
We didn't want to call it too early  
Now it seems a world away  
But I miss the thing, are we ever gonna feel the same?

Standing in the light till it's over  
Out of our minds  
Someone had to draw a line  
We'll be coming back for you one day  
We'll be coming back for you one day  
I don't even care if I know you  
Out of our minds  
Got to leave it all behind  
We'll be coming back  
We'll be coming back for you one day

[Beat break]

You can see it from afar  
We were riding that wave  
Blinded by the lights, and it's something not great  
We didn't want to call it too early  
Now it seems a world away  
But I miss the thing, are we ever gonna feel the same?

Standing in the light till it's over  
Out of our minds  
Someone had to draw a line  
We'll be coming back for you one day  
We'll be coming back for you one day  
I don't even care if I know you  
Out of our minds  
Got to leave it all behind

We'll be coming back for you one day  
We'll be coming back for you one day

Gonna rise, gonna fall, getting pulled apart  
And we all do it all cause it stole our hearts  
Gonna light up the skies, or ignore the stars  
And we all do it all cause it stole our hearts

[Beat break]

Standing in the light till it's over  
Out of our minds  
Someone had to draw a line  
We'll be coming back for you one day  
We'll be coming back for you one day  
I don't even care if I know you  
Out of our minds  
Got to leave it all behind  
We'll be coming back for you one day  
We'll be coming back for you one day
