No devil, no angel  
But I know how to be a stranger  
I do not know my way about  
But I'm seeking a way out  
Out of a roundabout

Where are you from?  
I really feel  
Your eyes on me

Welcome  
I am animated  
Come enter a life  
A life with me  
Welcome  
You are nominated  
To be my next catastrophe

You are one small wonder  
Here to tear, tear me asunder  
I'm on a station here somewhere  
Destination lies nowhere  
Dare to meet me there?

Good luck if you do  
Decide  
Decide to take this ride  
Be warned, I can't guarantee  
That I would be  
Good news for anyone
