

Excellion "Four Walls"

Visit "[Four Walls](#)" on MotoLyrics.com

VERSE:

Laying in the darkest corner
The shadows are taking me over
Crawling away, this remember
I'm condemned...

Asphyxiated, suffocated
Haunted for those that I've taken
Souls devouring, souls are claiming
Now they're coming... (now they're coming)

PRE-CHORUS:

Cannot be buried anymore
The blame of the torture, all I've done
Horrific silence in a room
The sorrow soon will be gone.

CHORUS:

There're just four walls
Suffocating my freedom
A damn cell draining my soul
(It's just keeping me away from my own)

At least the hour has arrived
Remembers are eating me alive
Through the absolving fire
Burning my- sins- as- I- die

VERSE 2:

All the agony, all the pain
I'm the only soul to blame
The walls are falling, last words to say...
(You'll fade away)
Asphyxiated, suffocated
Haunted for those that I've taken
Souls devouring, souls are claiming
Now they're coming... (Now they're here)

PRE-CHORUS

CHORUS

BRIDGE:

In my mind, I cry. Keeping a secret inside
It has now consumed my life.
