Verse 1

Fate has been foretold...
Walking in the darkness,
Crying, pain and sorrow
Shall be brought upon my soul

And when I look into your eyes
There's someone I recognize

A mere reflection of myself
The curse of a never-ending tale

Pre-chorus

(I have returned)
My life is now my bane
Not a chance to atone my sins
(Forsaken man)
Forsaken from God himself
Into the land of hopeless dreams

Chorus pt.I

The time has come
For me to arise
To end my doom once for all

I cannot see the light
Silence whispers in my ears
Break the chains that binds me.

Verse 2

Father... what have you done?
Your name has poisoned my life forever
Guilty blood inside my veins
No way to change a past of shadows

Prechorus

(I have return)
My life is now my bane
Not a chance to atone my sins

(Forsaken Man)
Forsaken from God himself
Into the land of hopeless dreams

Chorus ptI

The time has come
For me to arise
To end my doom once for all

I cannot see the light
Blindness takes over my sight
Silence whispers in my ears
Break the chains that binds me

Coro pt. II

I am ready to fall
Down to the fire
To serve my condemn
The judgement I have to pay

Sorrow comes to my life
The next son will arrive
To fulfill the task
Of the One who once began the oath

Can you see so many tears
But don't forget my son
You should never be alone

Coro pt. II

I am ready to fall
Down to the fire
To serve my condemn
The judgement I have to pay

Sorrow comes to my life
The next son will arrive
To fulfill the task
Of the One who once began the oath

My Son...
My illusion from the past
My happiness in this day
My hope for the future.
So much laughter
So many tears
But always my Son,
My pride.

You are my true love,
My fulfilled end,
My magnificent triumph,
Fruit of a beloved effort.
You shall never be alone,
Yet I will always be by your side.
My heart, my love, my Son.
