Pull harder, pull faster...we're rowing on the river
We search the riverside for the escape route in the
night
This is no time to turn back now

The great old river close to the Rauros-fall
The good old river, whose wingless blind fish call
A whispering in the night, a small light far away - This is
Boromirs death
You will forget us never, in dreams we are together
and fly away to a place of...

omni spiritus sanctus
