Unleash
The persecution
Rise from
My slaughtered soul
Unknown master
Enslaves you
Night rage
Entombs you
CHORUS
Betrayal x4
Cauldron
Of immortals
Red death
For those in sorrow
Cryptic signs of torture
Sinners face damnation
CHORUS
BRIDGE
Your will is my strength
Walk through fire to be one of them
The steel vault where the weak shall
Fall locked into chambers of
Betrayal x2
SOLO
CHORUS
BRIDGE
Your will is my strength
Walk through fire to be one of them
The steel vault where the weak shall
Fall locked into chambers of
Betrayal
Locked in chambers of betrayal x3
