Thunder is my sound  
As I'm burning' thru' the town  
Wind's blowin' my hair  
As the people just stand and stare  
Past the speed of light  
I'm burnin' up, the scream of the bike  
You must step aside  
I'm a wicked machine in the night

I'm livin', I'm ridin'  
Addicted to leather and speed  
Live fast - Die young  
Die young

I live for today  
No one's standing in my way  
'Cross the desert I ride  
With an army by my side  
We love the action at night  
I'm speeding up together in flight  
I'll never change in my ways  
I'm the terror that won't go away

I'm livin', I'm ridin'  
Addicted to leather and speed  
Live fast - Die young

Darkness lies ahead  
Speed is poundin' thru' my head  
Heading straight for disaster  
But I don't care, I'm pushin' it faster  
Leave the city at night  
Into the red I'm revving the bike  
There's no time to turn  
Into the wall my life slowly burns

Not livin', I'm dyin'  
A victim of leather and speed  
Live fast, die young  
Die young, live fast  
Die young, live fast

Die young, live fast  
Die young
