Defiant, relentless  
Refuse to die  
In shadows, oblivion  
The cellar's cage  
Disciples of terror  
Gather for prayers  
The viral Damnation  
Infects the prey  
As kingdom burns  
Your brethren cries  
The coven of which you breed  
This strike will end your greed  
Rot the devil king  
The towers of evil  
Burn to the ground  
Nefarious, the funeral  
Of wicked lords  
Invasion of liars  
Will gouge your eyes  
The blood rain will fall  
And cleanse your lives  
As kingdom burns  
Your brethren cries  
The coven of which you breed  
This strike will end your greed  
Rot the devil king  
Shattered be the reign  
Scorch his final days  
Rot the devil king  
SOLO  
Now risen  
Bane monarch  
With heavy chain  
No savior, No quarter  
All traitors slain  
The floodgates  
To Hades  
Open remain  
Inverted high priesthood  
Allegiance feigned  
As kingdom burns

Your brethren cries  
The coven of which you breed  
This strike will end your greed  
Rot the devil king  
Shattered be thy reign  
Scorch his final days  
Rot the devil king  
Defiant, Relentless  
Refuse to die  
In shadows, oblivion  
The cellars cage  
Disciples of terror  
Gather for prayers  
The viral damnation  
Infects the prey
