Voices of freedom in the howling wind,
Dragons fly free with their mystic wings
Strong and proud, banners at the top,
Somewhere on the endless rock

[Bridge]

This is the place, this is the grave,
Where my brothers lie

Horns and flutes speaking final words,
It's time to pray together with the lords
Heat and fire, the rage inside my head,
Children and wives, taking away their last bread

[Chorus:]

This is the place of the standing Stone in the middle of
the street,
This is the place of the standing Stone in the middle of
the street,
Fire, wind and thunder, nothing can destroy the holy
stone,
Time, rain and soldiers, nothing can break the holy
throne

I think of old times when I look into your eyes,
Remember the days we fought, sword in the hands,
Follow the stars hovering darkness,
Rage is so deep and the journey is endless

Soldiers are ready for die...

[Chorus]

[Middlepart]

Für den Wind, sogar der Donner, nicht zerschmettert
heilig Schrey,
Und mir kämpfe, bis es ändert vor Wut, und ihr
danket, mir kämpfet für Götter!

[Solo]

Voices of freedom in the howling wind,

Dragons fly free with their mystic wings
Strong and proud, banners at the top,
Somewhere on the endless rock

[Bridge]

[Chorus]
