I live for the night, I'm a bringer of fright
Here to take your life, I'm a sinner that's right
Filling your heads with pain, making you writhe and
bleed
I'll destroy this place, making you scream
Ah,ah,ah,ah,ah,ah...ah,ah,ah,ah,ah,ah
Ah,ah,ah,ah,ah,ah... ah,ah,ah,ah,ah,ah
Break Down the Walls
Break Down the Walls
Break Down the Walls
Break Down the Walls
I torture your brain, I'm the bringer of pain
Tear and grind at your mind, watching you falling
insane
In the depths of teh dark I can hear you screaming for
your life
Cannons are ready for fire you're in the sights
Ah,ah,ah,ah,ah,ah...ah,ah,ah,ah,ah,ah
Ah,ah,ah,ah,ah,ah... ah,ah,ah,ah,ah,ah
Break Down the Walls
Break Down the Walls
Break Down the Walls
