(M&L: Beehler, Johnson, McPhee)

I see invaders comin'  
Runnin' over the hill  
No time to sound a warning  
The night is still  
Hide away the parents  
The band is on  
Smoke is slowly rising  
The youth are one  
Crash the gates!  
Necks will break!  
Now they're comin' after you  
Shout with rage  
Rush the stage  
And there's nothing you can do  
Shout It Out  
Shout It Out, We love it loud!  
Shout It Out  
Shout It Out  
I sense inebriation  
The hordes are ready  
Fists are quickly rising  
The chants are steady  
Stand to greet the heroes  
Move your heads  
Inject metal infection  
Let it spread  
Crash the gates  
Necks will break

Now they're comin' after you  
Shout with rage  
Rush the stage  
And there's nothin' you can do  
Shout It Out  
Shout It Out, We love it loud!  
Shout It Out  
Shout It Out  
(SOLO)  
I see invaders comin'  
Runnin' over the hill

No time to sound a warning  
The night is still  
Hide away the parents  
The band is on  
Smoke is slowly rising  
The youth are one  
Crash the gates!  
Necks will break!  
Now they're comin' after you  
Shout with rage  
Rush the stage  
And there's nothing you can do  
Shout It Out  
Shout It Out, We love it loud!  
Shout It Out  
Shout It Out  
Shout It Out  
Shout It Out  
Shout It Out  
Shout It Out
