(M&L: Exciter)

In the still of the night
Innocence prevails without a guide
Women and children are first to run
To escape the madman, who'll kill till he's done
Kill till he's done...
DARK COMMAND
DARK CAMMAND
The savage beast was born in Hell
Heart of teh devil noone can tell
The Command is waiting, the weapons are drawn
Halas noone, can make him fall
Can make him fall...
DARK COMMAND
DARK COMMAND
Ripping at the seams
Waiting for life
To come to the end
As the bastards watch the dread
(SOLO)
The shallow graves await the souls
The Command is given, the blood will flow
The madman grips and kills his prey
No hope he'll let you, live or survive
Live or survive...

BURN AT THE STAKE

(M&L:)

Long ago when witches would rule
Deadly women - ready to curse
Black potion of murder and disease
Forgive them for they're blessed...
By the Master!

Burn, Burn at the Stake
Pain, pain until you break

Sixteenth century souls born without sins
Infested by the seeds of the Demon God
Execution day by the knife and sword
Burned alive while crying for death to stop

Burn, Burn at the Stake
Pain, pain until you break

(SOLO)

Rotting skin collected by the cross
Innocent victims caught in a web of law
Dying for a crime they did not commit
Cries of evil women - in the dark of the night

Burn, Burn at the Stake
Pain, pain until you break

AGGRESSOR
(M&L:)
In the depths of an evil mind
Hearing cries of demented thoughts
The anger is strong and the body turns to steel
The aggression is on!
Suicide haunts the ghost of... DEATH
Metal shield protects the demons of... HATE

In his mind lies a guilt
Tormentor without remorse

AGGRESSOR, AGGRESSOR
AGGRESSOR, AGGRESSOR

Pain and destruction is the rule he must..OBEY
Getting orders from the spirits of the... DEAD

In his mind lies a guilt
Tormentor without remorse

AGGRESSOR, AGGRESSOR
AGGRESSOR, AGGRESSOR

Clutching his fists for he prepares to get his prey
He will die a man without a grave

In his mind lies a guilt
Tormentor without remorse

Haunted and scared, escaped assassins beware

RITUAL DEATH

(M&L:)

Screams can be heard from a distant place

BLOOD SPILLS, it can't be traced

Underground cultists are to prepare

A VOYAGE WHERE life is death

Don't be caught by the hand of a Sinner

TEAR YOU APART like dogs in anger

The ritual begins with a prayer full of lies

DESTROY - forbid the living

POSSESSED - by Ritual Death

POSSESSED - by Ritual Death

POSSESSED - by Ritual Death

POSSESSED - by Ritual Death

Slaughter of the innocent souls

TAKEN BY FORCE and ripped from the cross

Torture reveals a man

INSANE WORLD, the light shines black

Traumatized by fear

LIFE AND DEATH - the hangman's near

Demons shadow of Hell

LED BY THE ONE - they count their spells

POSSESSED - by Ritual Death

POSSESSED - by Ritual Death

POSSESSED - by Ritual Death

LET US PREY

(M&L:)

I don't understand it
Why we must be slaughtered dead
For Kingdom Come... waits no more...
Let Us Prey
Let Us Prey
Let Us Prey
Let Us Prey

Stronger than a thousand black witches
Back to kill th elron MAn
Stand - Raise your fist and chant
I won't be chosen to die

Let Us Prey!

See the hordes of Evil masters
Marching side by side
While Hell awaits for the crucifix to rise

EXECUTIONER

(M&L:)

A thousand years of severed heads
Crashes down, you're about to kneel
Warrior cries deadened to silence
The sky turns black, your breath runs out
Beg for mercy - pray fro your life
For the evil mask will wait and say mass
Execute, execute, Executioner

Execute, execute, Executioner

Sacred hymns are heard by the dead
They'll save you from the blow of teh axe
The bells of Hell will call out your name
Long before your time can be saved
Rats and dogs will crawl from beneath
Waiting for death to fall like a stone

Execute, execute, Executioner
Execute, execute, Executioner

(SOLO)

Rotting flesh and scenes of horror
Screams in teh night, death takes its toll
Unleashed by demons urge
To kill and kill - his only will
Executed - one by one
This day - is Devil's play

Execute, execute, Executioner
Execute, execute, Executioner

SUICIDE OVERDOSE

(M&L:)

It lives in the blackened night
It lurks in the valley of the lost
A voice is heard from the past
It's coming back to claim its freedom
Tremors fall from the souls
Chains are broken beckoning call
Life will end, all sins will crawl
Stop the toture blood must flow

Suicide, Suicide
Suicide, Suicide
Suicide, Suicide
Suicide, Suicide
OVERDOSE

The key lies under your skin
Your thoughts are governed by the Ruler
The Ruler dies - you take revenge
Suicide - your death contends

Shadows of the dark call your name
Angels of death can't relent
Desperate cries to kill yourself
Peace be with you... see you again

Suicide, Suicide
Suicide, Suicide
Suicide, Suicide
Suicide, Suicide
OVERDOSE

(SOLO)

Suicide, Suicide
Suicide, Suicide
Suicide, Suicide
Suicide, Suicide
OVERDOSE

SCREAMS FROM THE GALLOWS
(M&L:)

The kings torment the law
They'll chose to kill us all
Devoured by lust and blood
Cannot retaliate
Tortured and killed by gods
The rivals seek revenge
Of justice till the end

Sadistic, relentless
Sickened with vengeance
Remorsed by nothing
Inspired by the demons

Screams! FROM THE GALLOWS
Screams! FROM THE GALLOWS

The night foresees destruction
Rebels gather to emerge
The light evokes deception
Help the masses to escape
The serpents are deadly evils
Their will is not to live
Betrayed by words of honour
Let the tortured people reign

Sadistic, relentless
Sickened with vengeance
Remorsed by nothing
Inspired by the demons

Screams! FROM THE GALLOWS
Screams! FROM THE GALLOWS

(SOLO)
