There he was just walking  
Down the street, singing  
(Do wah diddy diddy dum diddy do)

Popping his fingers  
And shuffling his feet, singing  
(Do wah diddy diddy dum diddy do)

He looked good (yeah, yeah)  
He looked fine (yes, he did)  
He looked good, he looked fine  
And I nearly lost my mind

Before I knew it he was  
Walking next to me, singing  
(Do wah diddy diddy dum diddy do)

He took my hand just as  
Natural as can be, singing  
(Do wah diddy diddy dum diddy do)

We walked on (yeah, yeah)  
To my door (sure did)  
We walked on to my door  
Then he said a little more

(My, my, my, my)  
My, my, I knew  
We were falling in love  
(My, my, my, my)  
My, my, I told him all  
The things I was dreaming of

Now we're together  
Nearly every single day, singing  
(Do wah diddy diddy dum diddy do)  
Yeah, yeah, yeah

And we're so happy and that's  
How we're gonna stay, singing  
(Do wah diddy diddy dum diddy do)  
Oh, yeah

Well, I'm his (yeah, yeah)  
And he's mine (yes, he is)  
Well, I'm his and he's mine  
And the wedding bells will chime

Now we're together  
Nearly every single day, singing  
(Do wah diddy diddy dum diddy do)

We're so happy and that's  
How we're gonna stay, singing  
(Do wah diddy diddy dum diddy do)  
Yeah, yeah, yeah

Well, I'm his (yeah, yeah)  
He's mine (yes he is)  
Well, I'm his, he's mine  
And the wedding bells will chime

Singing  
(Do wah diddy diddy dum diddy do)  
Baby, come on, yeah  
(Do wah diddy diddy dum diddy do)

Can't you see us  
Walking down the aisle, yeah  
(Do wah diddy diddy dum diddy do)  
We're gonna be so happy, yeah  
(Do wah diddy diddy dum diddy do)

Every day now  
(Do wah diddy diddy dum diddy do)  
I'm gonna love him so much  
(Do wah diddy diddy dum diddy do)  
Yeah, yeah, cause he's mine...
