Yeah, yeah, yeah, yeah

He makes me do things  
I don't wanna do  
He makes me say things  
I don't wanna say  
And even though  
I wanna break away

I can't stop saying I adore him  
Can't stop doing things for him  
He's got the power  
The power of love over me  
(Me, me, me, me, me...)

He makes me stay  
When I don't wanna stay  
He makes me go  
When I don't wanna go  
And though I try  
To break the spell

I know I can't stop  
Saying I adore him  
Can't stop doing things for him  
He's got the power  
The power of love over me

(Can't stop, can't stop, can't stop)  
Can't stop the way I need him  
It's got me crazy as can be

Oh, but I love him  
He's got a certain something  
And that's the one thing  
That has got a hold on me

Yeah, yeah, yeah, yeah

He makes me do things  
I don't wanna do  
He makes me say things

I don't wanna say  
And even though  
I wanna break away

I can't stop saying I adore him  
Can't stop doing things for him  
He's got the power  
The power of love over me  
(Can't stop, can't stop, can't stop)

La la la la la...  
Oh, but I love him  
La la la la la...

Yeah, yeah, yeah, yeah

He makes me do things  
I don't wanna do  
He makes me say things  
I don't wanna say  
And even though  
I wanna break away

I can't stop saying I adore him  
Can't stop doing things for him  
He's got the power  
The power of love over me

Can't stop saying I adore him  
Can't stop doing things for him  
Can't stop saying I adore him  
Can't stop doing things for him...
