You're so sexy
Talking smooth
Have no idea
That you're gonna loose (no)
The game you're playing with my mind
Not kind (yeah baby)
I said why do you treat me like that (no)
Come tomorrow baby
Stay all night
I wanna see it all
So don't turn out the lights
Boy you're in for a big surprise
Ain't gonna be nice (ain't gonna be nice)

I'm gonna blow
Everything you know about
Me, myself and I
I'm gonna break
Really gonna shake your world
Turn it upside down
I'm gonna make sure that you're on the floor when
The cops all come around
No you won't survive
Me, myself and I

I'm not crazy
I'm just fine
You might think
I'm way out of line
Talking to myself and in my sleep (in my sleep)
Baby you've hurt me deeper than deep
I can't tell you
No I can't say
I just know
I don't wanna be treated this way
Baby you were doin' just fine
But then you started playing with my mind

I'm gonna blow
Everything you know about
Me, myself and I
I'm gonna break

Really gonna shake your world
Turn it upside down (just turn it upside down)
I'm gonna make sure that you're on the floor when

The cops all come around
No you won't survive
Me, myself and I

I'm gonna blow
Everything you know about (everything you know)
Me, myself and I
I'm gonna break
Really gonna shake your world
Turn it upside down (just turn it upside down)
I'm gonna make sure that you're on the floor when
The cops all come around
No you won't survive
Me, myself and I

What I'm about to do
Is still in my mind
Will I have the courage
Will I find
Strength to carry on (strength to carry on)
To respect my needs
Not to take you back
Every time you say forgive me

I'm gonna blow
Everything you know about
Me, myself and I
I'm gonna break
Really gonna shake your world
Turn it upside down (turn it upside down)
I'm gonna make sure that you're on the floor when
The cops all come around
No you won't survive
Me, myself and I

I'm gonna blow
Everything you know about
Me, myself and I
I'm gonna break
Really gonna shake your world
Turn it upside down
I'm gonna make sure that you're on the floor when
The cops all come around
No you won't survive
Me, myself and I
