The uncreated thoughts  
Are crossing through your mind  
Divesting all your life  
That's rolling through your hands  
You can't stop the time with your insane eyes  
Searching the unanswered whys  
Living in seclusion  
Denying what all the others had accepted  
Don't invade into your dreams  
Penetrate your abyss  
All your past is a dreamy recollection  
It seems you're trapped in fear  
And time is lost for you  
You are two different pieces  
In two different worlds  
The clouds in your mind  
Are seeking for a perfect day  
And your rainy eyes  
Just hopping for a look  
You can't stop the time  
But you can feel the wind  
Which is lying underneath your wings  
You are a dreamer in desert  
Hoping for the rain  
You are two different pieces  
In two different worlds  
And you must carry on...
