Forensic fetishism
By erogenuos rottenatomy aroused
Shameless self-fondling aggressively abetted
By the embaldming fluid with which you are doused
Tagged, stabbed and lavaged
You've passed beyond the veil
Blood replaced by formaldehyde
Your lifeless flesh so pale

Now I pay my last disrespects
Here are my final regards:
As it was in life so it is now in death
Cold, grim and hard!

FUNERAL FUCK
FUNERAL FUCK

Entangled in lust's contorted embrace
Undulating within the shroud
And I'm proud to do my part
In making your passing cum laude
I orgasm in the open casket
Wanking on your wake,
Writhing on the slab,
With each liberty I take

Now I pay my last disrespects
Here are my final regards:
As it was in life so it is now in death

Cold, grim and hard!

FUNERAL FUCK
FUNERAL FUCK

The naked and the dead
Carnal knowledge so corrupt
Consummating your death certificate
Your eternal rest I lustily disrupt
The last rites are invoked in moans
As I grovel in my intimacy
At least you aren't facing death alone

Your ends is my means to ecstasy

Now I pay my last disrespects
Here are my final regards:
As it was in life so it is now in death
Cold, grim and hard!
