I don't feel anything  
Isn't that amazing  
I don't want everything  
Just a little bit of nothing

But even if it feels strange  
It stands apart from nature  
Even if you don't know  
Where the circuit breaker

Why calm and collapsed  
Why calm and collapsed  
Why calm and collapsed  
We were calm and collapsed

Is it just me lyin' here  
Or is someone breathing  
Why do I live in fear  
When I'm not sure you're here

Cuz even if it feels strange  
It stands apart from nature  
Even if you don't know  
Where the circuit breaker  
Why calm and collapsed  
Why calm and collapsed  
Why calm and collapsed  
We were calm and collapsed

So break me down  
Our love isn't cool  
So break me down  
And crucify me again

Cuz even if it feels strange  
It stands apart from nature  
Even if you don't know  
Where the circuit breaker

Givin' up a feelin', I'm feelin' no existence

Why calm and collapsed

Why calm and collapsed  
Why calm and collapsed  
We were calm and collapsed  
I'm calm and collapsed
