I need a meaning, I need a soul  
This circle is vicious but precious like gold  
Don't push the river, don't stop the flow  
Dead in the water, caught in the undertow

You are the ocean, I am a wave  
Fell out of motion, I lost my way  
You are the ocean, I am a wave  
I fell out of motion

And I learned a lesson, I learned it so well  
I won't forget it, I've got a truth to tell  
My last confession, my faith was long dead  
I pushed the river was more that I could bear

You are the ocean, I am a wave  
Fell out of motion, I lost my way  
You are the ocean, I am a wave  
I fell out of motion

With a pain in my heart for so long  
A pain in my heart for so long  
A pain in my heart for so long  
With a pain in my heart

I need a meaning, I need a soul  
This circle is vicious but precious like gold  
Don't push the river, don't stop the flow  
Dead in the water caught in the undertow

You are the ocean, I am a wave  
Fell out of motion, I lost my way  
You are the ocean, I am a wave  
I fell out of motion

With a pain in my heart for so long  
A pain in my heart for so long  
A pain in my heart for so long  
With a pain in my heart

A pain in my heart for so long  
A pain in my heart for so long

A pain in my heart for so long  
A pain in my heart

I need a meaning  
I need a soul  
Don't push the river  
Don't stop the flow
