Your life, mislaid
Spoon-fed, well raised

Hey you, you're nodding out, what's this all about?
Hey you, you're nodding out, what's this all about?

Hey you, hey you, hey you, hey you what's this now?
Going down, going down are you sorry now?
Going down, why do you want to die?

Black tar, your veins
Once new, now stained, stained, stained

Hey you, you're nodding out, what's this all about?
Hey you, you're nodding out, what's this all about?

Hey you, hey you, hey you, hey you what's this now?
Going down, going down are you sorry now?
Going down going down, what's your story now?
Going down, why do you want to die, die?
Why do you want to die, why do you want to die?

Your life, mislaid
Spoon-fed, well raised
Hey you, hey you, hey you, hey you

Hey you, hey you, hey you, hey you what's this now?
Going down, going down are you sorry now?
Going down going down what's your story now?
Going down, why do you want to die, die?

Why do you want to die, why do you want to die?
Why do you want to die, why do you want to die?
Why do you want to die, why do you want to die?
