Come lay your money down  
Constant wave of sound

This is not necessary  
This is not ordinary  
This is my last confession  
This is for my own protection now

Come lay your money down  
Come lay your money down  
Come lay your money down  
Come lay your money down

Sick of this, I'm sick of hurt  
And shame is such a dirty word  
Strung out and falling down

This is not necessary  
This is not ordinary  
This is my last confession  
This is for my own protection now

Come lay your money down  
Come lay your money down  
Come lay your money down  
Come lay your money down

Sick of this, I'm sick of hurt  
And shame is such a dirty word  
Sick of this, I'm sick of hurt  
And shame is such a dirty word  
It's a dirty word

Punch the ballot for the talking heads they sold  
Like the cars, the pills, the booze  
And the soap that cleans your soul  
The TV reality shows you what's a stake

So cry like you mean it till the next commercial break  
And consider yourself for the wealth and consumption  
Me you say, I'm no spectator at the revolution

Sick of this, I'm sick of hurt  
And shame is such a dirty word  
Sick of this, I'm sick of hurt  
And shame is such a dirty word

Sick of this, I'm sick of hurt  
And shame is such a dirty word  
Dirty word, dirty word
