I was knee deep in a sick love  
I was cross eyed under your drug  
Schizo savior a mad messiah  
A fatal worship you inspired

Gone, I don't believe in you now  
I've seen too much, I don't believe in you now  
My Goddess

And you were counting on a free fall  
You laid your bet I would lose all  
Chalk up one less crucifixion  
I kicked that sick, old addiction

Damn, I don't believe in you now  
I've seen too much, I don't believe in you now  
My Goddess

Now you see what you get when you lose yourself  
What you get when you don't know who you are  
(Don't know who you are)  
When you don't know who you are  
(My goddess)

Gone, I don't believe in you now  
I've seen too much, I don't believe in you now  
My Goddess

I don't believe in you, I don't believe in you, I don't  
believe in you  
My goddess  
I don't believe in you, I don't believe in you, I don't  
believe in you  
My Goddess  
My Goddess  
My Goddess  
My Goddess  
My Goddess  
My Goddess  
My Goddess  
My Goddess
