Don't take it out on me  
Don't take it out on me  
Don't take it out on me  
The point you're missing

Don't try to talk to me  
Don't try to talk to me  
Don't try to talk to me  
I don't want to listen

Don't take it out on me  
Don't take it out on me  
Don't take it out on me  
The point you're missing

Don't try to talk to me  
Don't try to talk to me  
Don't try to talk to me  
I don't want to listen

'Cause talk is cheap, so let me be  
Just cut the rope and set me free  
'Cause something's wrong, something's wrong

In my opinion, you're so obscene  
In my opinion, nothing but greed  
In my opinion what's the difference  
You couldn't change it, it's your tradition, yeah, yeah

Don't take it out on me  
Don't take it out on me  
Don't take it out on me  
You're wasting my time

You won't remember me  
You won't remember me  
You won't remember  
How you're raping my life

Don't take it out on me  
Don't take it out on me  
Don't take it out on me

The point you're missing

Don't try to talk to me  
Don't try to talk to me  
Don't try to talk to me  
I don't want to listen

'Cause talk is cheap, so let me be  
Just cut the rope and set me free  
'Cause something's wrong and something's wrong

In my opinion, you're so obscene  
In my opinion, nothing but greed  
In my opinion what's the difference  
You couldn't change it, it's your tradition yeah

In my opinion, you're so obscene  
In my opinion, nothing but greed  
In my opinion what's the difference  
You couldn't change it, it's your tradition

In my opinion, the water will rush  
In my opinion, you've broken my trust  
In my opinion, what's the difference  
You couldn't change things, it's your religion  
Yeah, yeah, yeah, yeah
