Are you ugly?  
A liar like me?  
A user, a lost soul?  
Someone you don't know

Money it's no cure  
A sickness so pure  
Are you like me?  
Are you ugly?

We are dirt, we are alone  
You know, we're far from sober  
We are fake, we are afraid  
You know, it's far from over

We are dirt, we are alone  
You know, we're far from sober  
Look closer, are you like me?  
Are you ugly?

Turn a blind eye  
Why do I deny?  
Medicate me  
So I die happy

A strain of cancer  
Chokes the answers  
Are you like me?  
A liar like me?

We are dirt, we are alone  
You know, we're far from sober  
We are fake, we are afraid  
You know, it's far from over

We are dirt, we are alone  
You know, we're far from sober  
Look closer, are you like me?  
Are you ugly?

I don't care, you don't care  
I'm bitter, you're angry

You don't care, I don't care  
You love you, just like me

I blame you, you blame me  
I'm bitter, you're angry  
You don't care, I don't care  
You love you, like me

We are dirt, we are alone  
You know, we're far from sober  
We are fake, we are afraid  
You know, it's far from over

We are dirt, we are alone  
You know, we're far from sober  
Look closer, are you like me?  
Are you ugly?  
Are you ugly?  
Are you ugly?
