"Across The Sky"

My broken wings are falling
Fallen in the dust
I'm thinking of you
While I close my eyes
I will be the wind
And I will be the sun
I'll be there when your
Tears are coming down,
When nothing comes around
And nothing matters now.

Across the sky, I'm lost inside a place unknown
I'm falling now, I can feel your heart of stone
Across the sky, can you feel my love, my soul?
I'll save your heart and
I'm calling
I'm calling

Like a butterfly
I'm dancing in the light
I'm thinking of you while
I see my past
I will be the wind
That flowers in your heart
I'll be there when your
Tears are coming down,
When nothing comes around
And nothing matters now

Across the sky, I'm lost inside a place unknown
I'm falling now, I can feel your heart of stone
Across the sky, can you feel my love, my soul?
I'll save your heart and
I'm calling
I'm calling

I'm hanging on my last breath
I feel the time we spent
I'll be in your soul
Even when you're alone
