"No Destination"

In a labyrinth of luck and destiny,
Crucified for what I'm not and what I'll be
Every day is another day to face the truth
Will I ever change or will I run away?
I'm looking for a destination and
I don't belong here

Won't you look into my eyes
Won't you tell me some more lies
I can't find my way home
I can't find my way home

Drowning in the darkness that I feel
Feeling out for a place, a stranger in my skin
There's no way to hide, escape in this dark cave

Going 'round in circles, digging my own grave
I'm looking for a destination,
And I'm bleeding from your desolation
And I don't belong here

Won't you look into my eyes
Won't you tell me some more lies
I can't find my way home
I can't find my way home

There's no way out
No way out
No way out
I'm feeling trapped
I feel trapped
I feel trapped
There's no way out
I'm lost in a labyrinth
