Verse 1: Michael Jackson

this time around I never get bit
though you really wanna fix me
this time around you're makin' me sick
though you really wanna get me
somebody's out, somebody's out to get me
you really wanna fix me, hit me
but this time around I'm takin' no shit
though you really wanna get me, you really wanna get
me

Chorus: Michael Jackson

he really thought
he really had a hold of me
he really thought
(he really thought)
they thought they really had control of me

Verse 2: Michael Jackson

this time around I'm not gon' get bit
though you really wanna get me
but this time around I'm takin' no shit
though you really wanna fix me
somebody's out, somebody's out to use me
you really want to use me and falsely accuse me
this time around don't treat me like spit
though you really can't control me

Chorus

Verse 3: Biggie

Listen I got problems of my own
flashing cameras taps on my phone
even in my home I ain't safe as I should be
things always missin'
maybe it could be my friends
but they ain't friends if they robbin' me

stoppin' me from making a profit see
apology shallow like the ocean
I guess I'll resort to gun-tottin'
if I was dead broke and smoking I'd probably be by my
lonesome
I'm a kill a nigga I ain't jokin'
endo smoke got me chokin'
I'm hopin' a fool come slippin' so I can blow him open
this time around I changed up my flow
got rid of the rocks got pits by the door
a real set of peoples to watch my back
stay away from strangers so I won't slack
and I know my nigga Mike like that baby

Chorus
