Stand up
You've got to manage
I won't sympathize
Anymore
Anymore
Anymore

And if you complain once more
You'll meet an army of me
And if you complain once more
You'll meet an army of me
Army of me
Army of me

You're alright
There's nothing wrong
Self-sufficiency please!
And get to work
And get to work

And if you complain once more
You'll meet an army of me
And if you complain once more
You'll meet an army of me
Army of me
Army of me

You're on your own now

We won't save you
Your rescue-squad
Is too exhausted
You're on your own now
We won't save you
Your rescue-squad
Is too exhausted

An army of me
An army of me
An army of me
It's an army of me

It's na army

And if you complain once more
You'll meet an army of me
And if you complain once more
You'll meet an army of me
Army of me
Army of me
Army of me
Army of me

It's an army of me
Army of me
It's an army of me
Army of me
