I was lying on the floor  
Till I heard you cry so close  
Yes, I was thinking of suicide, suicide.  
Your face, there in the mirror  
Your sigh, vision in my head  
Goin' mad, is there someone else? Someone else?  
Is there something more that I can say?

I can say, I can say, I feel you closer  
I can say, I can say, is the something more that  
I can say, I can say

Are we living on a razor?  
Is this predestination?  
I'm confusing what is real, what is real  
Something, something is controlling  
Calling, crawling in my skin  
I say, is there someone else?

Is there something more that I can say?

I can say, I can say, I feel you closer

I can say, I can say, is the something more that  
I can say, I can say

I feel you-Am I sick? There's no end, if you believe  
Coincidence, destiny, it's not over  
I feel you-Am I sick? There's no end, if you believe  
Coincidence, destiny, it's not over

Give me a sign  
Give me a sign  
Give me a sign  
Give me a sign  
I can't see you

(chorus)

If I have a star  
You are protecting me  
If I am too blind

It's just a coincidence  
If I live in fear  
Your sigh covers me  
If I fear to live  
I can say  
It's not over  
It's not over
