I'm walking through the flames
The fire purifies my soul
From the dust I came
From the dust I came

Break it, I'm walking through the flames
Isolated, today is the day to be brave
You can break it, the inner circle of this pain
Can you feel it?
I'm not afraid

From the ashes of my strife
I will rise up to eternal life
Like a phoenix I will rise
To my eternal life
To my eternal life

Break it, set me free from my distress
Isolated, today is the day to be saved
You can break it, break the cyde, break the chain
Can you feel it?
It's your immortal day

From the ashes of my strife
I will rise up to eternal life
Like a phoenix I will rise
To my eternal life
To my eternal life

Ashes to ashes
Dust to dust

Hey, Hey, Hey!
We're walking through the flames
We are rising from the flames

From the ashes of my strife
I will rise up to eternal life
Like a phoenix I will rise
To my eternal life
To my eternal life
