"Cities On Flame"

My heart is black, and my lips are cold
Cities on flame with rock and roll
Three thousand guitars they seem to cry
My ears will melt, and then my eyes
Oh, let the girl, let that girl, rock and roll
Cities on flame now, with rock and roll
Gardens of nocturne, forbidden delights
Reins of steel, and it's alright
Cities on flame, with rock and roll
Marshal will buoy, but Fender control
Let the girl, let that girl rock and roll
Cities on flame now, with rock and roll
My heart is black, and my lips are cold
Cities on flame with rock and roll
Three thousand guitars they seem to cry
My ears will melt, and then my eyes
Let the girl, let that girl rock and roll
Cities on flame now, with rock and roll
