Dont turn your back
Danger surrounds you
Dont turn your back
To the dogs who hound you
Dont turn your back
Dont show your profile
Youll never know
When its your turn to go

Dont turn your back
On intuition
Dont turn your back
On superstition
Dont turn your back
To your jealous neighbor
He just might blow
And spoil the show

Dont turn your back
One chance to save her
Dont turn your back
Keep her out of danger
Dont turn your back
Shell return the favor
She wants you so
Dont say no.

Things are not always what they seem
She will always say what she means
Youll never know who your friends really are
Youll use that special option in your car.

Dont turn your back
Danger surrounds you
Dont turn your back
To the dogs who hound you
Dont turn your back
Dont show your profile
Youll never know
When its your turn to go
