All our times have come
Here but now they're gone
Seasons don't fear the reaper
Nor do the wind, the sun and the rain, we can be like
they are
Come on baby, don't fear the reaper
Baby take my hand, don't fear the reaper
Baby I'm your man
Valentine is done
Here but now they're gone
Romeo and Juliet
Are together in eternity, Romeo and Juliet
40,000 men and women everyday, like Romeo and
Juliet
40,000 men and women everyday, we can be like they
are
Come on baby, don't fear the reaper
Baby take my hand, don't fear the reaper
We'll be able to fly, don't fear the reaper
Baby I'm your man
Love of two is one
Here but now they're gone
Came the last night of sadness
And it was clear she couldn't go on
Then the door was open and the wind appeared
The candles blew and then disappeared
The curtains flew and then he appeared, saying don't
be afraid
Come on baby, and she had no fear
And she ran to him, then they started to fly
They looked backward and said goodbye, she had
become like they are
She had taken his hand, she had become like they are
Come on baby, don't fear the reaper
