Better get up and face my day
Could have been a little warmer
Yeah, you said it'd be okay
If I could stay a little longer
And I don't know how I can leave you
I just want to stay
But I gotta get away
Yeah, I wanna see the sunshine
Hey and I just wanna play
Yeah I wanna hit the big time
Why do you always cry
When I go
Why do you always cry
When I go
I don't know how I can leave you
Lay your blanket over my head
(you see why I can't leave you know I wanna)
Try to remember all that you said
(you see why I can't leave you know I wanna)
Lay your blanket over my head
(you see why I can't leave you know I wanna)
Try to remember all that you said
(you see why I can't leave you know I wanna)
Try to remember all that you said
I don't know how I can leave
I just want to stay
