"This song is dedicated to someone very...special. This is a somber tale about a boy with the heart of a pig. We call this one...Ode to Pig-Heart."

Pig-Heart
Rat-lung
Smells like
Cow dung

Fat head
Bushy brow
(That's) Why he
Smells o' cows

(Not) Goin' to
Ozzfest
Enormous
Size breasts

He has
No friends
So he
Jus' pretends

Pig heart
Rat lung
Cow breath
Boy

Friends with
Mononad
He is
Really sad

He likes
Miss pugh
And he
Loves her too

He wants to

Make love to her
('Cause it's) Fat girls
He prefers

He raves
He rants
We hate you
Craig gant

Pig-Heart
Rat-Lung
Cow Breath
Boy!

Oh yes! We hate you! We hate you!
Craig! We hate you!

He has the heart of a pig
He has the lung of a rat
He's friends with mononad
We all think hes really sad
And we all hate him
He's Craig Gant

We really do hate you Craig Gant!
