### "How The Dead Dance"

Ive got a crazy idea, why don't we play on our fears?  
Is that a crazy idea?  
You know we'll have a good time, that aint no reason to  
cry  
I'll be right here by your side

She's scared, she doesn't understand  
She fears the dead, but loves the way they dance  
She's scared, they just wont go away  
She fears the dead, the deadâ€¦!

Too much can't be too much fun, the introductions are  
done  
Lets just see what goes on  
So try to keep voices down, my head is spinning right  
now  
I hope we come back aroundâ€¦!

She's scared

Take it one day at a time  
I just want you to have a good time  
You can always change your mind, you can always run  
and hide

So get up  
Get and start running
