Once upon a dream of mine
I'll take my chances, i'll be fine
Once upon a dream of mine
No questions answered, no alibi
Without pride for 2 years now
I don't know how but i managed somehow
I got pissed up and left behind
I don't know why but i enjoyed the ride

To keep me sane
I'll keep my distance
And keep your distance form me too
Is it too late to give my reasons?
I'll give my reasons back to you.
Im coming home

Where's my inspiration now
'left the station, or so it's written down
And how come no-one cares now?
Am i the only one with some ambiton down

To keep me sane
I'll keep my distance
And keep your distance form me too
Is it too late to give my reasons?
I'll give my reasons back to you.
Im coming home
