Simon says it's all right  
To tell it like it is  
Don't want to start a fight now  
By digging like this

Simon says go faster  
Don't let it hang in the clouds  
And he says it's never gonna last her  
But she swears it's the only way out

She don't wanna be lonely  
But it's worked so far it seems  
And she isn't the only  
Mary go round

Simon says let go  
Open it up with a smile  
Yeah it hurts to be wrong  
But it heals in a while

She don't wanna be lonely  
But it's worked so far she fears  
And she isn't the only  
Mary go round

Certain things when left unsaid  
Rattle around inside your head  
Bring you back to the things that keep you down

Simon says so long  
Must be on his way  
True, true friend is gone  
But he left her today

She don't wanna be happy  
But it just might work it seems  
Cause she isn't the only  
Mary go round

She don't wanna be happy  
But it just might work it seems

And she isn't the only  
Mary go round
