"So Leave Then"

Visit "[So Leave Then](#)" on MotoLyrics.com

Oh my God it's so hard
To walk down the block today
Can't believe what you're saying
To me so I turn away
Maybe this is why people
Are living in solitude
Can't seem to muster the strength
To deal with you

You say that you're leaving
So leave then

Oh my God it's so hard
To face another day
Don't let the world get you down
With the games they play
I know you been searching for a boy
To bail you out of trouble
But baby I ain't the light
At the end of your tunnel
You say that the solitude's
Too much for you

I'm just trying to keep myself up
You're just trying to hold me down
You don't like what I say
