she doesn't even care
she laughs at me all day
I wanna hold her had
and all she has to say
is there anything you want
is there anything you'll need
do you feel it like I do
cause it's deep inside of me
I'll do anything you want
I'll do anything I swear
I will lay down on your bed
you were laying there
Ooh, I almost kissed you

Oh, I almost liked it
she doesn't even care
what these people say
she don't even care
if they go away
almost kissed you
almost liked it
I can't take this
I can taste it
